EASTER SUNDAY OF THE RESURRECTION OF THE LORD

Lord, as we celebrate Easter, we thank You for the hope of the resurrection that You have given us through Your Son, Jesus Christ. Help us remember that no matter how dark things may seem, Your power has conquered death and brought eternal life. May our hearts be filled with hope and joy as we reflect on the miracle of Jesus' resurrection. Strengthen our faith to trust in Your promises of new life and victory over sin. Through your Son Jesus Christ, Amen.

PRAYER / DIVINE READING/ MASS INTENTIONS

Pope Francis's Special Intentions for the month of April:

For the use of the new technologies

Let us pray that the use of the new technologies will not replace human relationships, will respect the dignity of the person, and will help us face the crises of our times.

© J. S. Paluch Co., Inc.

PLEASE PRAY *for*

All who have gone before us marked with a sign of faith; may their soul rest in peace.

For all who have received the rites of Christian Initiation at the past Easter Vigil; may they continue to flourish and find growth in their new faith.

For our brothers and sisters victims of abuse of power, may they be certain of their dignity as children of God. For those called by their conscience to admonish their leaders may they do so with fortitude and wisdom.

This we pray in the name of our Lord Jesus Christ.

Thus the Easter Feast is truly a Victory Day. It is not something peripheral or superficial. It is not just God's victory over Satan, not just Savior's victory over the Evil one, not just the Holy Spirit's victory over the evil spirit. It is not a "personal score" that is settled between God and Evil. But something fundamental and foundational, crucial and essential.

The victory of Easter involves the whole creation, the whole humanity. It touches upon the whole life, the whole person, the whole destiny. It is a comprehensive and holistic victory. It is the victory of all of us. It is the victory of our faith. It is the victory of good over evil, of love over hate, of mercy over violence, of benevolence over condemnation, of humility over arrogance, of patience over fury, of altruism over egoism, of generosity over greed, of sharing over accumulation, of giving over grabbing, of detachment over clinging, of nobility over fragility, of forgiveness over revenge, of loyalty over disloyalty, of stability over instability, of conviction over compromise, of authenticity over duplicity, of integrity over guile, of truth over falsity, of the spiritual over the unspiritual, of the above over the below, of light over darkness, of life over death.
